NOTIFICATION OF EMERGENCY MEASURES

Addendum

The following communication, received on 24 January 2014, is being circulated at the request of the Delegation of the Russian Federation.

Letter of the State Sanitary Inspector No. 01/11491-13-23 as of 6 October 2013

The Russian Federation notified the letter of the State Sanitary Inspector in G/SPS/N/RUS/35 (as of 11 October 2013). This letter introduced a temporary restriction on import of milk and milk products from Lithuania to the Russian Federation due to detection of incompliance to microbiology, sanitary chemical and organoleptic requirements. Lithuania provided relevant information on securing microbiological requirements, strengthening of production control, elimination of detected labeling deviations. Thus the measure was withdrawn with regard to import of milk and milk products from "Rokiskio suris" AB, Lithuania.

At the moment the measure does not apply to milk and milk products from two Lithuanian establishments: "Pieno Zvaigzdes" and "Rokiskio suris" AB.
